News from the Eureka Springs United Methodist Church

the Season of

Kingdomtide

A Joyful Community of Faith, loving God by serving all people including the least, the last, and the lost.

14th of June 2026

Today is Flag Day...a time to remember the history of our country's flag and its sacrifices leading to the "Red, White, and Blue."

Time will fly with parades, picnics, historical television documentaries. Soon there will be a great celebration for our country's 250th birthday of independence. Our flag came through all those years...from a design of thirteen stars to one of fifty stars...fifty strong, free, patriotic states...where we can choose to attend a house of worship and offer our thanksgiving for our "home of the free and the brave."

Elizabeth Griscom Ross, better known as Betsy Ross, was a Philadelphia seamstress and upholsterer. The legend credits Betsy as making the first American flag in 1776. There is some controversy that states the flag was not created until 1777 by Francis Hopkinson, a signer of the Declaration of Independence and a Continental Congress delegate.

Regardless, of the historical facts, Americans are proud of our flag. It can be found worldwide waving at embassies, government building, and military installations.

Let us demonstrate our admiration and respect of a banner that stands for the freedoms our ancestors fought to obtain and that we bravely uphold.
